(a) the number of project reports on integrated development of small and medium towns from all over the country that have been received by Government during the financial year 2007-08;

(b) if so, the details of these projects, name-wise;

(c) the status and progress on these project reports; and

(d) the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI AJAY MAKEN): (a) to (d) The Integrated Development of Small and Medium Towns (IDSMT) Scheme has been subsumed in the newly launched scheme of Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT) w.e.f. 03.12.2005. During 2007-08, no proposals have been received from the States/UTs under IDSMT scheme.

Water scarcity in cities

†1228. SHRI JAI PARKASH AGGARWAL: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether any assessment has been made about the scarcity of water in metropolitan cities of the country;

(b) if so, the details thereof;

(c) whether Government has any proposal for the integrated mega plan to make proper arrangement for sufficient water supply to metropolitan cities; and

(d) if so, the details thereof ?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI AJAY MAKEN): (a) to (d) Urban water supply is a State subject and it is the responsibility of the state Government/ULBs to plan, design, execute, operate and maintain water supply projects in their states and cities. As per information collected from various State Level Agencies/ULBs of 35 million plus cities, the per capita water supply is less than the national norm of 150 litres per capita (head) per day in 23 cities, whereas it is in excess of national norm in 12 cities. The per capita water supply position in 35 million plus cities (with population more than 10 lakh as per 2001 census) is given as statement. (*See* below)

Government of India has launched the Jawaharlal Nehru National Urban Renewal Mission (JNNURM) in December, 2005 for providing additional central assistance to States/ULBs for taking up projects related to urban infrastructure including water supply. The Mission covers all million plus cities. Water Supply has received highest priority under the Mission and 108 projects at an estimated cost of Rs. 12,603.00 crore have including million plus cities.

---

†Original notice of the question was received in Hindi.

Statement

Per capita water supply position

S. No.	Urban agglomeration/ city as per 2001 census	Per capita water supply (lpcd) as of Nov., 2003	water supply norms as per manual, LPCD	% shortfall

Gandhinagar, Porbunder and Karamsad under JNNURM

1229. SHRI KANJIBHAI PATEL: Will the Minister of URBAN DEVELOPMENT be pleased to refer to answer to Unstarred Question 1544 given in the Rajya Sabha on 13th March, 2008 and state:

(a) since when the capital cities of all the States have been included under JNNURM and the reasons for only Gandhinagar, capital city of Gujarat having been left out of the Scheme;

(b) whether the State Government of Gujarat has requested for including Porbunder and Karamsad under JNNURM; and

(c) if so, the reasons for not including Porbunder and Karamsad even under category 'B' or 'C' of the Scheme?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI AJAY MAKEN): (a) Jawaharlal Nehru National Urban Renewal Mission (JNNURM) was launched on 3rd December, 2005 and capital cities of all States have been included except Gandhinagar. Decision to keep the number of cities covered under Urban Infrastructure Governance (UIG) component of Jawaharlal Nehru National Urban Renewal Mission (JNNURM) to around 60 was taken with approval of Government. However, cities not covered under Sub-Mission-I have been covered under Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT) of Jawaharlal Nehru National Urban Renewal Mission (JNNURM).
